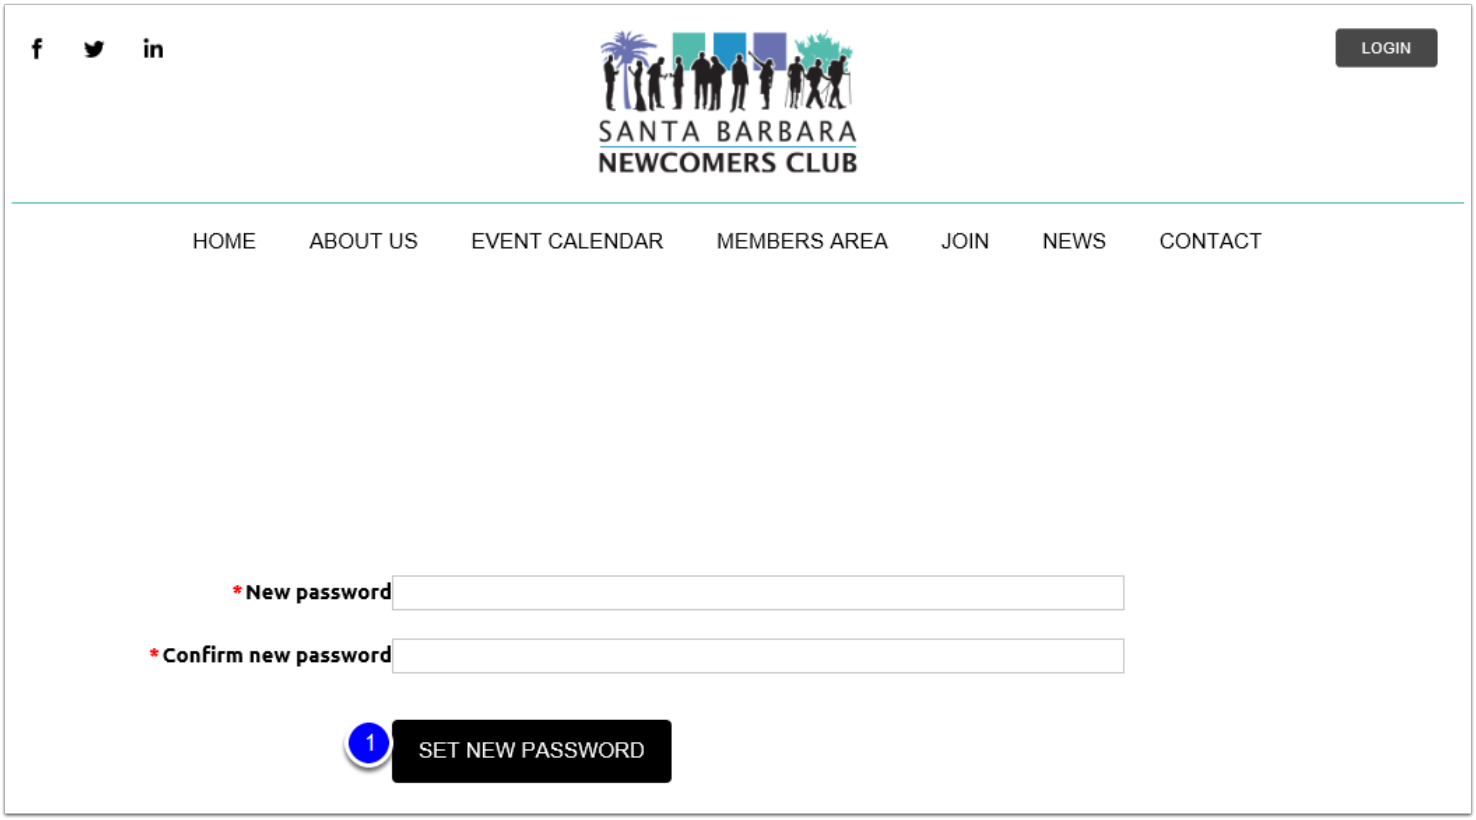
## Password reset

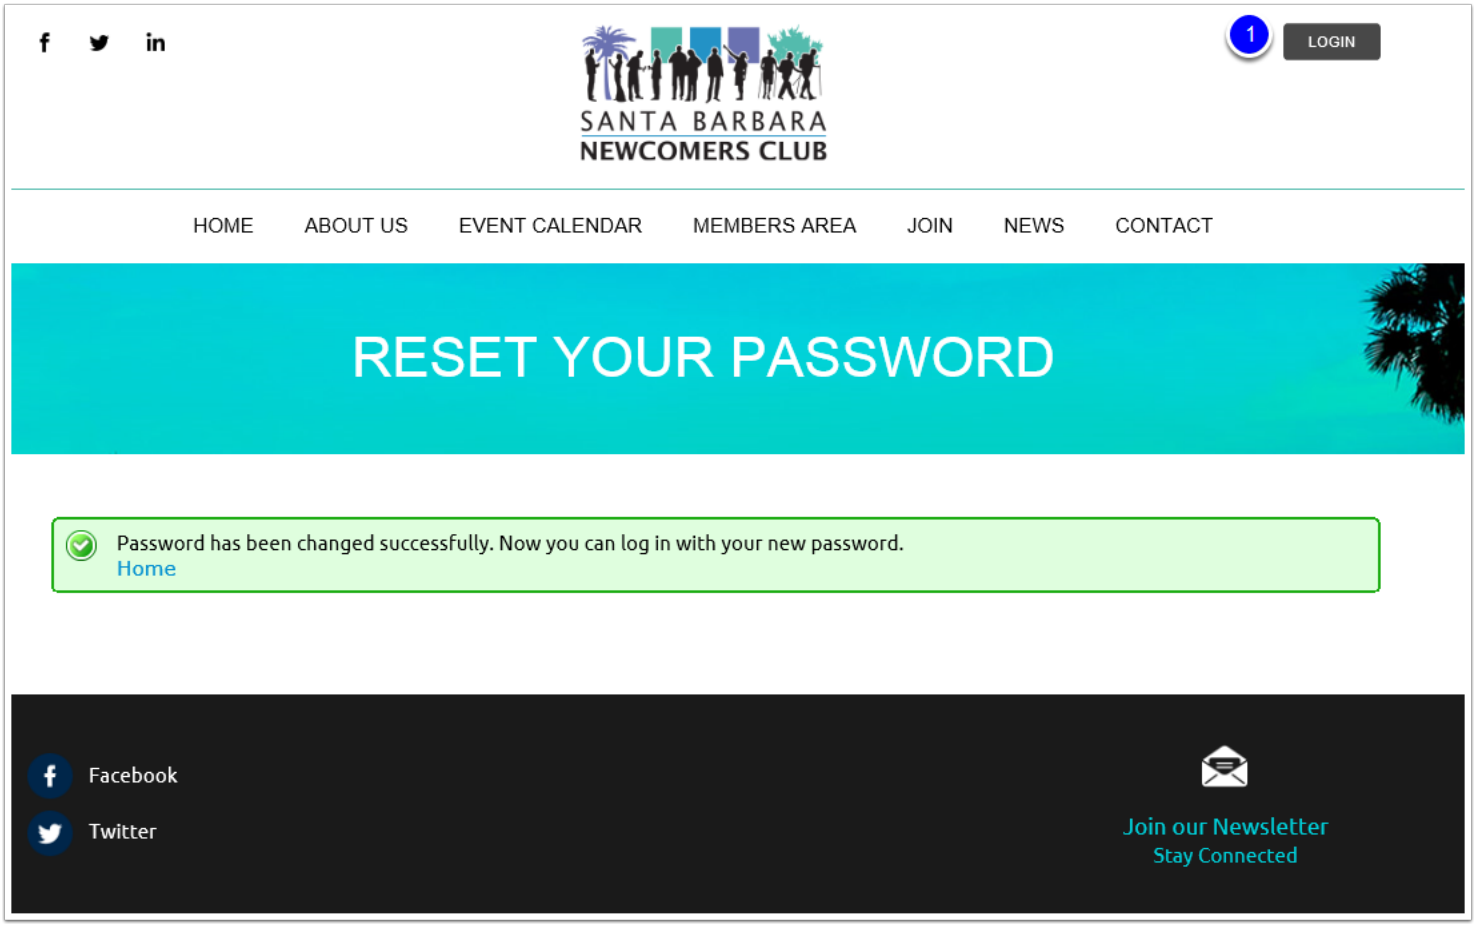
Enter the new password and then enter it again in the confirm new password field. Click **Set New Password** (1). Please note passwords are case sensitive, must be a minimum of 7 characters and can be any combination of letters, numbers and characters (except spaces).



## Password successfully reset and log in to the website

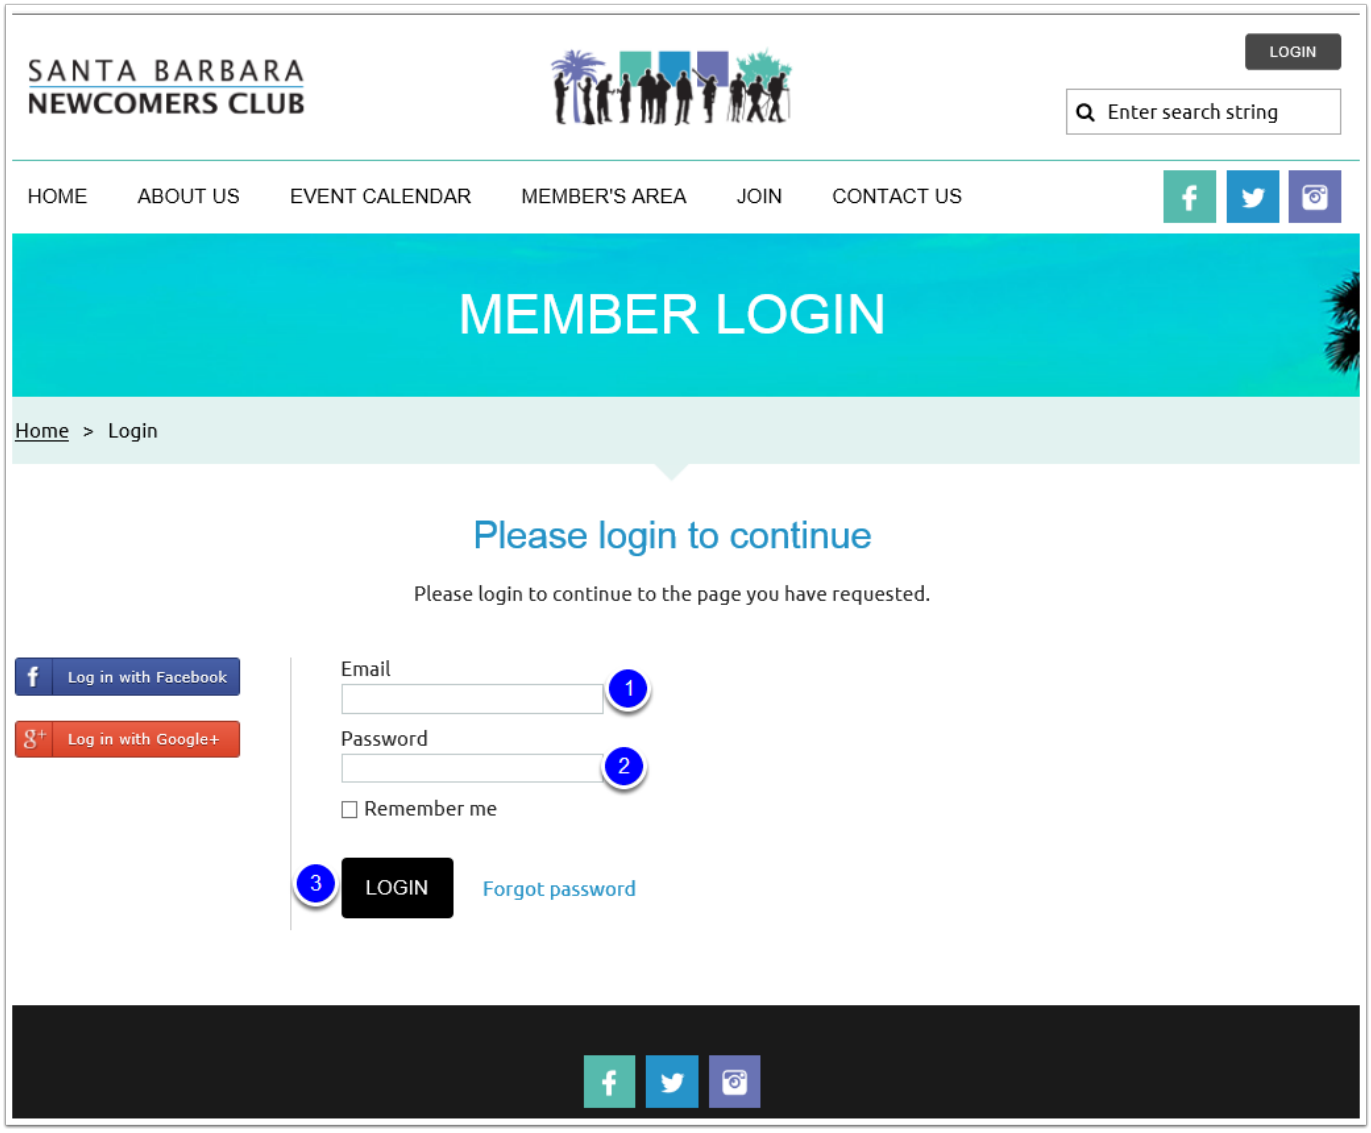
You should get a message showing the reset was successful. You are now ready to log in.

1. Click the LOGIN button at the top right of the website.
2. Go to the next step.



## Log in to the SBNC Website

1. Enter the email address that you signed up to the SBNC with in the Email field.
2. Enter the password you just successfully reset in the step above.
3. Click the LOGIN button
4. Once logged in, you will have access to the member's only area to register for events, change your profile, search member directories and more.



## Log in to the SBNC Website Using Your Facebook Credentials

Wild Apricot, the platform that the new SBNC website is running on allows you to log in with your email that you used when signing up for the SBNC and password that you have either been assigned or recently reset in the steps above, your Google+ credentials or your Facebook credentials.

Log in with Facebook

1. Click on the LOGIN button at the top right of the screen if you do not see the Member Login web page shown below.
2. Click the Log in with Facebook icon.
3. You will be taken to the Facebook log in screen.
4. Log in to your Facebook account as you normally would.
5. Click Log In.
6. The first time you log in you may be asked to give your permission to allow Wild Apricot (the website platform that the SBNC website runs on) to access your email to connect.

*If you are using your Google+ or Facebook credentials, you must be running the latest versions of the supported browser. When logging in with your Google+ or Facebook email and password, you may get a message that your browsers are not compatible with the website. Please refer to the following help document from Wild Apricot (the website platform that the SBNC website is running on) to ensure the browser you are using is up to date, javascript is turned on, cookies are enabled and optionally you can add http://www.sbnewcomers.org/ to your Trusted Zone to minimize any compatibly issues. This is a one time step that will simplify logging in in the future.
