

Posting Committee

SANTA BARBARA NEWCOMERS CLUB

Job Description

The Posting Chair is responsible for maintaining the JotForm account that is used for creating the postings.

The Posting Team is responsible for posting all the events that are displayed on the Club's calendar. This committee works behind the scenes with the Activities VPs to ensure that all Newcomer's events are set up correctly in our event management system so Committee Chairs can manage their committee without the added responsibility of posting their events.
